#### XIII. LOG INSTRUCTIONS:

1. In keeping a log, fill in Zone number and Country, **ONLY FIRST TIME** it is contacted.
2. Use a separate sheet for each band and a tally sheet or report form.
3. Keep all times in **GMT**.
4. All contestants are expected to compute their scores. Logs should be checked for contact duplications and proper point credit before they are submitted.
5. Make sure name and address is clearly noted on each log. Print or type.
6. Each contestant must sign a pledge that all rules and regulations have been observed and that the report is a true one. Note sample contest report form.
7. If official log forms are not available, use a duplicate form as indicated. The size is 8½" x 11" with 52 contacts to the page.
8. Copies of the Zone map, log sheets and report forms are available from CQ, address listed below. Send a self-addressed envelope, large size. Include sufficient postage, in the case of overseas stations IRC coupons are acceptable. Make sure to indicate how many sheets are needed.

#### XIV. RULE CHANGES:

1. Note Par. VIII #7 and Par. X #3. The Committee feels justified in making this change. It does not require the efforts of more than one operator to cover a Single Band during a contest period. Especially now that the active time of the higher frequency bands is becoming shorter. Therefore there will no longer be Single Band awards for multi-operator stations.
2. In the multi-operator division, (b) single transmitter and (c) multi-transmitter under Par. III. The separation as made last year will be retained. Therefore it is important that multi-operator stations indicate under what classification they are operating.

All logs must be postmarked **NO LATER** than December 1, 1960 for the Phone section and January 15, 1961 for the CW section. In rare isolated places the deadline will be made more flexible. Send logs directly to:
